Re: National States Rights Party  
Racial Matters

On October 20, 1963, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that from 3:00 p.m. to 7:00 p.m., a meeting of the National States Rights Party (NSRP) was held in the African Universal Church, 3602 Third Avenue, New York, New York.

Approximately 75 persons attended the above meeting at which the principal speech was made by William Hoff, New York State representative of the NSRP. Hoff spoke in favor of segregation and separation of the races and his speech was entitled "The Other Side of the Question".

Detective [redacted] stated that individuals believed to be NSRP members wearing khaki shirts but no armbands or uniforms were observed in the street outside the aforementioned church.

On October 23, 1963, Lieutenant [redacted] Bureau of Special Services, New York City Police Department, advised that he had no information concerning the manner in which William Hoff received an invitation to address the audience at the African Universal Church, which was described by Lieutenant [redacted] as an all Negro church. Lieutenant [redacted] stated that the only NSRP member identified at the above described meeting was William Hoff.

Lieutenant [redacted] advised that the NSRP in New York City actually consists of William Hoff alone and there are no other known NSRP members in the New York City area.

A characterization of the NSRP is attached hereto and sources mentioned therein have furnished reliable information in the past.

**NATIONAL STATES RIGHTS PARTY  
(NSRP)**

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 781, Birmingham, Alabama.

On June 17, 1960, a source advised that [REDACTED]

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Racial Matters

Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYPD), furnished the following information relative to captioned matter as of 10:00 p.m., October 20, 1963:

The New York City chapter of the Congress of Racial Equality (CORE), conducted a March on City Hall (of New York City) which commenced at noon from their office at 239 West 125th Street, New York, New York. The march was begun by 125 marchers and reached a peak number of 200 by 3:00 p.m., when they reached City Hall. There were approximately 100 additional persons waiting at City Hall for the marchers.

This crowd of 500 then held a rally in front of City Hall from 3:00 p.m. to 5:30 p.m., protesting the lack of complete support by New York City Mayor Robert Wagner and his administration for the civil rights movement, particularly the elimination of job discrimination.

Upon the completion of the above rally 50 members of CORE proceeded to the Brooklyn House of Detention, Brooklyn, New York, where they protested the arrest and confinement of Willie Blackmon. This picketing lasted from 6:45 p.m. to 8:00 p.m. Blackmon, a Negro male, age 19, was previously arrested by the NYPD on September 20, 1963, for third degree assault against a NYPD member, and for resisting arrest. At the time of his arrest he was one of a group of demonstrators in front of the United Nations building who were demanding that President Kennedy send Federal troops to Birmingham, Alabama. At the time of this latter demonstration President Kennedy was inside the United Nations building having addressed the General Assembly earlier.

It is to be noted that when [ ] furnished the above membership list, he was unable to describe any of the above members other than those whose description appears after their address. [ ] practically admitted that he is a one man organization and that he never had gotten around to meeting the membership or calling a meeting. The accuracy of this membership list or its validity cannot be determined. [ ] declined to identify the source of this membership list, but it would appear that the list, which is maintained upon 2½"X 3½" type cards by [ ] was apparently furnished to him in 1961 by a member of the NSRP (NY 105-28550-204). It was noted that [ ] took these cards out of a larger group of cards, possibly a foot thick, which cards he casually mentioned were his records of subscribers to or recipients of the NSRP official publication, "The Thunderbolt".

Inasmuch as [ ] was not in a position to actually state that any of the above individuals are definitely, to his knowledge members of the NSRP, such information as obtained from [ ] should be used for investigative purposes only, since the reliability of his information is questionable.

*Re. National Student Rights  
Party - Racial Matters*

## RIGHTS ADVOCATES DEFEND 2 RACISTS

### Alabama Free Speech Case Heard by Supreme Court

Special to The New York Times

WASHINGTON, Dec. 11 — Two lawyers dedicated to Negro rights urged the Supreme Court today to reverse the contempt convictions of two Southern racists.

Burke Marshall, Assistant Attorney General in charge of the Justice Department's Civil Rights Division, and Melvin L. Wulf of the American Civil Liberties Union made the argument.

They spoke for Edward R. Field and Robert Lyons, leaders of the National States Rights party, who were sentenced to five days in jail and were assessed \$50 fines for violating an injunction in Fairfield, Ala.

The party, which is anti-Negro and anti-Semitic, had announced a night meeting in Fairfield and had passed out handbills that the authorities considered inflammatory. The injunctions forbade them to hold the meeting or issue the handbills. They were arrested at the site of the meeting sometime before it was scheduled to begin.

The evidence showed Mr. Fields had been telling a crowd that the meeting had been moved to another town. He and Mr. Lyons did not have any handbills but did pass out copies of the party's racist newspaper, The Thunderbolt.

Both Mr. Wulf and Mr. Marshall argued that these facts did not amount to a violation of the injunction. The convictions should be reversed for lack of any evidence, they said. Justice Byron R. White asked whether the mere appearance of the men in the street and the handing out of The Thunderbolt did not amount to a "meeting." Mr. Marshall said that if it did, it was not the specific meeting that had been enjoined.

This question of evidence was the only one reached by Mr. Marshall and the Justice Department. Mr. Wulf, assuming that the injunction had been violated, said it was in any case unconstitutional as a restraint on speech and could not support the convictions.

Injunctions against speeches and meetings are totally forbidden by the Constitution, Mr. Wulf argued. He said any violence or other illegality that occurred should be dealt with by subsequent criminal prosecution, not by prior court orders.

His argument ran up against an old rule that the validity of injunctions cannot be tested by violating them and contesting the subsequent contempt charges. The rule has been that the injunction must be appealed.

Frank B. Parsons, representing Fairfield, urged the Court to hold to the rule requiring an orderly appeal of injunctions.

Otherwise, he said, every man would decide for himself what to obey and "we'd have anarchy — there would be no law."

(Date)

Numerous pieces of the enclosed material was delivered to patrons of this office on date of 11-06-63, with many patrons calling the office about it. As there is no return address on the envelopes, it is not too practical for the patrons to file a no-deliver order.

The people who brought this in were highly indignant and were very critical of the Post Office Department in allowing this type of mailing.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION OF  
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO  
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL'S party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the American Nazi Party, the phases of ANP struggle for power are fourfold, namely, first, "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and, fourth, "the attainment of power through the votes of the newly-won masses."

### NATIONAL RENAISSANCE PARTY (NRP)

On July 16, 1963, a source stated that the NRP is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by James H. Madole, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in November 26, 1957 issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958 issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party," reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised [redacted]

Title: NATIONAL STATES RIGHTS PARTY

Character: RACIAL MATTERS

## Synopsis:

The National States Rights Party (NSRP) continues to publish "The Thunderbolt," self-described as the "Official White Racial Organ" of this organization.

[redacted] the NSRP and [redacted] "The Thunderbolt" continues to reside at [redacted] Alabama. [redacted] has indicated he is planning to move from his present residence in the near future. He has advised he desired to buy a house outside the City of Birmingham, but still reside in Jefferson County. The NSRP's National Headquarters is located at 1865 Bessemer Road, Birmingham. Information has been developed that the NSRP has obtained a meeting hall in Ensley section of Birmingham, Alabama. On 3-31-64, source furnished a copy of a leaflet entitled "The Way," Issue #1, dated March, 1964, which is self-described as the official publication of the Alabama State Division of the NSRP. Leaflet reflected the Editor to be JERRY DUTTON and further reflected JAMES R. McDANIEL, JR., as the State Director of NSRP in Alabama, conducting business through P. O. Box 8399, Ensley Station, Birmingham, Alabama. Source has advised the Alabama State Division of the NSRP will probably utilize Ensley meeting hall for conducting its meetings. On 2-15-64, USDJ CLARENCE W. ALLGOOD dismissed all counts of an indictment returned by a Federal Grand Jury at Birmingham during September 1963. This indictment had charged seven NSRP members with obstructing justice in connection with court-ordered desegregation of three public schools in Birmingham during September, 1963.

Judge ALLGOOD stated that there existed "fundamental deficiencies" in the wording of the indictment as a reason for its dismissal. He stated, however, there was sufficient "probable cause" to hold the defendants in this matter under bond pending further Grand Jury action. The Federal Grand Jury is expected to convene in Birmingham during August 1964. Additional information concerning NSRP activities in Alabama set out as well as NSRP activity in states of New York and Pennsylvania. Information concerning NSRP Presidential Nominating Convention held at Louisville, Kentucky, 2-29-64-3-1-64 set out. AN INFORMANT HAS ADVISED THAT [REDACTED]

It is noted that Issue #57 of "The Thunderbolt,"  
dated March, 1964, was the first issue to reflect THORNTON  
to be Associate Editor of this paper. Previous issues reflected  
the Associate Editor to be JAMES K. WARNER.

Issue #54 of "The Thunderbolt" for November, 1963, carries a headline: "Kennedy Keeps Mistress" on Page 1. The article following the headline is basically the same type of story that had appeared in Issue #51 of May, 1963. The story appearing in Issue #54 alleges that the late President Kennedy was guilty of adultery while a U. S. Senator in Washington, D. C., in 1958. The article, which is based on the allegations concerning the late President originally made by Mrs. LEONARD KATER, 2723 Dumbarton Avenue, Northwest, Washington, D. C.; names the late President's mistress as Miss PAMELA TURNURE, Mrs. JACQUELINE KENNEDY's Press Secretary.

Pages 2, 3, 4, 5, and 8, contain additional stories and articles allegedly pertaining to this allegation.

Page 9 of this issue contained articles attacking people of Jewish ancestry and contained such sub-captions as, "Communism is Jewish." This page continued with derogatory comments of the Jews by setting forth what purportedly were reprints of articles from unidentified newspaper clippings. These alleged reprints bear such titles as, "Jew In High Council of Communist Poland" and "Rabbis Abroad Ask Release of Sobell."

Page 10 of this issue contains what was alleged to be Chapter 16 of "The International Jew" by Henry Ford, founder of the Ford Motor Company.

Issue #55 of "The Thunderbolt" dated January, 1964, on Page 1 carries a main headline, "Jews Involved in Assassination." The main theme of this article alleges that the late President was assassinated by the "Communist-Jewish Conspiracy." Page 1 also contains an "Exclusive" story entitled, "Admiral Crommelin Tells Why Kennedy Was Assassinated." This story claims to be obtained through an interview of CROMMELIN by the Editor of "The Thunderbolt." In this story CORMMELIN list five reasons why "Kennedy was Assassinated by the Communist-Jewish Conspiracy." Among the reasons given, CROMMELIN includes, (1) the late President's anti-Castro speech and (2) his "continued foreign aid to Nasser to Egypt in defiance of the Jews."

BH 105-477

In line with the overall story regarding the assassination, Page 2 contained a headline, Why Not Investigate Fair Play For Cuba Committee?"

The Communist Party, USA and its affiliates have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Page 2 also contained an article entitled, "President Johnson's Daughter to Marry Jew In Synagogue." This article stated that LYNDIA B. JOHNSON's fiance, BERNARD ROSENBACH of Comfort, Texas, is a Jew and that they plan to be married in the future by a Rabbi.

Pages 3 and 3 contained articles and photographs condemning "race-mixing." These photographs showed "race-mixing" involving such people as MARLON BRANDO, Hollywood Movie Actor and HAVEN ROOSEVELT, grandson of Former President FRANKLIN D. ROOSEVELT.

Page 5 of this issue contained articles vilifying people of Jewish ancestry under a main headline of "Jews In the News." The article also contained a sub-caption, "There is No Anti-Semitism in Russia." These series of articles alleged that Jews are being urged to help Negroes seek freedom and alleged that Communists and Jews are closely connected.

Pages 6 and 7 of this issue contained what alleged to be Chapter 17 of "The International Jew" by Henry Ford, founder of the Ford Motor Company.

Pages 8 and 9 contained derogatory articles and comments criticizing the FBI and its Director, JOHN EDGAR HOOVER for his speech allegedly made on December 4, 1963, at the Washington Hebrew Congregation concerning the danger of the Right-Wing elements.

Page 10 carried a headline, "Defeat Bobby Kennedy's Wire Tap Bill." Appearing under this headline was what alleged to be a reprint from "Teamster" Magazine. The article was highly critical of the Attorney General's stand on "wire tap" legislation.

Issue #56 of "The Thunderbolt" dated February, 1964, is self-described as a special four page edition and contained articles regarding MATT MURPHY, NSRP attorney at Birmingham, Alabama, and articles dealing with the indictment returned by a Federal Grand Jury at Birmingham against seven NSRP members. More detailed accounts of the pertinent articles are mentioned hereafter in this report.

Issue #57 of "The Thunderbolt," dated March, 1964, carried a main headline, "Defeat Civil Rights Bill."

The main themes of this issue centered around reasons why the proposed present Civil Rights Bill must be defeated and also contained articles and photographs concerning the NSRP Presidential Nominating Convention, which took place at the Sheraton Hotel in Louisville, Kentucky, February 29, 1964 - March 1, 1964.

Page 1 of this issue contained articles concerning the above-mentioned Civil Rights Bill and also contained an article, "John Kasper Has Fought and Suffered For The Rights of White People." This article contained a thumbnail sketch of KASPER along with a photograph of KASPER.

Page 1 of this issue also contained an article entitled "Ruby Attacks Thunderbolt." This article alleged that on March 1 (1964) in Dallas, Texas, Attorney MELVIN BELLI charged that the circulation of "The Thunderbolt" in that city was depriving JACK RUBY of receiving a fair trial.

Pages 2 and 3 of this issue continues with criticism of the proposed Civil Rights Bill under a headline, "Civil Rights Is Communism."

Page 4 of this issue under a headline, "Jews in The News," contained articles highly critical of people of Jewish ancestry.

Page 5 of this issue contained articles stating the NSRP's policy with regard to ROBERT WELCH and JOHN BIRCH Society.

BH 105-477

Under a title "Robert Welch attacks NSRP" and sub-captioned "Dr. Fields to File Million Dollar Suit," "The Thunderbolt" in this article reflected that the February issue of "American Opinion," which is alleged to be published by ROBERT WELCH, contained "one of the most vicious attacks printed against Dr. Edward R. Fields and National States Rights Party."

Also on this page is an article entitled "NSRP Policy Statement on Robert Welch." This article advises that "The National States Rights Party has always subscribed to the plan there should be peace and friendship with all other Right-Wing organizations but entangling alliances with none,"

The article continued to stated and alleged that since the "American Opinion" Magazine carried a story derogatory of the NSRP, "The Thunderbolt" was compelled to answer these "blatant lies with the truth." The article continued: "There are those who would have us maintain this policy of friendship with other patriotic leaders and Right-Wing organizations regardless of the attitude of these organizations toward us. We must declare, however, that when the leader of another organization publicly flaunts his hostility toward us and attempts to destroy us through the use of the most shameless, false, and libelous smear, then the time for 'peace and friendship' has come to an end."

Pages 6 and 7 of this issue contained articles and photographs of the above-mentioned NSRP Presidential Nominating Convention at Louisville, Kentucky, during February 29, 1964 - March 1, 1964. These articles indicated that JOHN KASPER had been selected as the NSRP Presidential nominee and that J. B. STONER, NSRP Attorney, Atlanta, Georgia, had been selected as the party's Vice-Presidential nominee.

Pages 8 and 9 of this issue contained what alleged to be a chapter of "The International Jew," by Henry Ford of the Ford Motor Company. The chapter number was not indicated in this issue.

Page 9 of this issue contained an article and photographs condemning inter-racial marriages and carried such

BH 105-477

titles as "Inter-racial Dating Will Destroy the White Race," and "Socializing With Negroes Leads to Mixed Marriages."

Page 10 of this issue contained articles which alleged to be articles reproduced for the "Jacksonville Chronicle." These articles contained highly critical comments against the FBI and its investigation of racial situations in the Jacksonville, Florida, area.

NSRP ACTIVITY IN NEW YORK

Issue #55 of "The Thunderbolt" dated January, 1964, on Page 12, carried an article entitled: "Extremist Held In Rights Office Brick Tossing." This article appeared to be a reprint from an unidentified newspaper clipping.

This article reflected that a WILLIAM H. HOFF, 277 Warren Street, Brooklyn, New York, New York State NSRP Director, was arrested by police in New York City for throwing a brick at the Brooklyn Office of the State Commission for Human Rights. The article further stated that an unidentified woman passerby said she saw HOFF throw the brick through a plate glass window of the Human Rights Commissioner's Office, 118 Court Street, Brooklyn, New York, at 1:45 a.m.

This undated article stated that HUFF was subsequently charged with malicious mischief and was subsequently to appear in Brooklyn Criminal Court.

NSRP ACTIVITY IN PENNSYLVANIA

Issue #55 of "The Thunderbolt" dated January, 1964, on Page 9, in an article entitled: "In Memoriam" announced the death of RALPH HASSINGER, NSRP organizer for the State of Pennsylvania, who died of natural causes at the age of 31.

On April 17, 1964, BH T-1 advised that [redacted] was planning to move from his present location, [redacted] sometime in the near future. BH T-1 advised he was unable to obtain any specific information in this regard, but stated he has seen a "For Sale" sign located on [redacted] property.

On April 6, 1964, [redacted] was contacted and interviewed by SA's [redacted] in connection with another matter. During this interview, [redacted] mentioned that he was planning to move from his present residence in the near future. He said that he owns the property where he now resides and added that he desired to buy a house outside the City of Birmingham, but still reside in Jefferson County.

The "Birmingham Post-Herald", a Birmingham newspaper, on Page 5 of its Final Edition for October 10, 1963, carried an article captioned, "U S On 2 Sides In Edward Fields Case." This article was datelined "Washington 10/9" and related that "at the request of the U. S. Supreme Court, the Justice Department has entered as a friend of the Court in a case where FIELDS was convicted of contempt of court." The article continued by stating, "...the Justice Dept. contends that a Jefferson County (Alabama) court erred in convicting FIELDS on contempt in connection with a National States Rights Party meeting set for October 11, 1961 in Fairfield (Alabama)." The article continued by stating that the Jefferson County Circuit Court had issued an order forbidding the above referenced meeting and added that the Alabama Supreme Court had upheld the verdict. The article further stated that the U. S. Justice Department was challenging the constitutionality of the City Code of Fairfield, Alabama, under which the Circuit Court order was issued.

OPEN-AIR RALLIES OF THE NSRP

The below listed open-air rally sponsored by the NSRP was held as follows:

<u>Date of Meeting</u>	<u>Place of Meeting</u>	<u>Approx. Number</u>	<u>Date Info. Furnished</u>	<u>Informant</u>
10-19-63	Mt. Olive, Ala.	200-300	10-20-63	BH T-4

On October 20, 1963, BH T-4 advised that JERRY DUTTON and J. B. STONER were the main speakers at this rally. BH T-4 advised that in his speech, J. B. STONER made several comments vilifying the FBI and its Director, J. EDGAR HOOVER, and had accused the FBI of bombing the 16th Street Baptist Church on September 15, 1963.

"The Birmingham News," a local Birmingham newspaper, in the Late Final Edition for October 20, 1963, on Page B-4, carried an article entitled, "FBI Bombed Church, Says Rally Speaker." This article refers to the speech made by STONER at the NSRP-sponsored open-air meeting at Mt. Olive, Alabama, on October 19, 1963, and refers to the remarks made by STONER as reflected above.

On April 16, 1964, BH T-1 advised that there has been no other open-air rallies sponsored by the NSRP since the above referred to rally at Mt. Olive, Alabama.

On April 6, 1964, during the course of the interview with [ ] as mentioned before, [ ] stated that there has been very little open activity on the part of the NSRP since mid-October, 1963, with regard to mass meetings in the Birmingham area. He added that the bombing of the 16th Street Baptist Church at Birmingham on September 15, 1963, had made people in Birmingham reluctant to attend any mass meetings for fear of a possible occurrence of violence.

"The Birmingham News" in its Red Star Final Edition of October 17, 1963, on Page 42, contained an article captioned, "Segregationist Placed on Probation." This article was dated Tuscaloosa, Alabama, October 17, 1963. The article reflected that JAMES K. WARNER had been placed on one year probation on an appeal of an original charge of "Trespass after Warning." WARNER

BH 105-477

was ordered to pay court costs by Circuit Judge RUBEN WRIGHT. The article further stated that WARNER had been originally arrested on March 26, 1963, at the University of Alabama, Tuscaloosa, Alabama, where he had appeared to protest the appearance of Mr. ARTHUR J. DEAN. This article further advised that D. W. SKIDMORE, Tuscaloosa City Attorney, advised that WARNER would serve the original sentence of 180 days in jail and a fine of \$100.00 plus costs if he should violate his probation.

Issue No. 55 of "The Thunderbolt" dated November, 1963, on Pages 6 and 7, contained an article entitled, "Birmingham Rises Up Against Mixing." This article contains photographs and stories dealing with NSRP demonstrations in connection with the desegregation of the three public schools in Birmingham on September 4, 1963.

Page 7 of this issue contained what alleged to be a newspaper clipping (identity of newspaper not shown) entitled, "Keep Bars Up, Alabama Racists Ask" and datelined Montgomery, Alabama (UPI). This article reflects that a 100-car motorcade headed by the NSRP appeared at the offices of Alabama's Governor GEORGE C. WALLACE at Montgomery, Alabama, during late August, 1963. The NSRP presented to the Governor's representatives, petitions allegedly bearing 30,000 names urging Governor WALLACE to close any Birmingham area schools which would be desegregated.

Photographs of this incident reflect that Dr. EDWARD R. FIELDS, JAMES K. WARNER and JAMES O. MURRAY were among the NSRP members present.

Page 8 of this issue contained articles entitled such as: "Dr. FIELD Sues B'ham News for \$1,000,000." These articles claimed that a libel suit had been filed for \$1 million against "The Birmingham News" and DAVID LAWRENCE of "U. S. News and World Report." FIELDS charged in this article that the newspaper and LAWRENCE contributed to deprive him of his "good name and reputation." The articles reflect that the suit cites a portion of LAWRENCE's column, written and published in "The Birmingham News," September 25, 1963, suggesting that there was need for the House Committee on Un-American Activities to investigate the NSRP to determine if the NSRP received funds from foreign nations.

Page 8 of this issue contained articles entitled such as: "NSRP Youth Leader - Jerry Dutton Has FBI Arrested."

These articles reflected that two FBI Agents were subsequently arrested by the Birmingham Police Department for Trespass after Warning after they had appeared at NSRP headquarters on October 30, 1963. The articles stated that DUTTON had sworn out warrants for the FBI Agents for the above charge.

It is to be noted that on October 30, 1963, [ ] was arrested by the Birmingham Police Department at NSRP headquarters on a charge of supplying a false report to that police department. [ ] had telephoned the Birmingham Police Department when the two FBI Agents had appeared at NSRP headquarters, after learning of their true identity. In this telephone call [ ] charged that the two agents were "communists" and desired them to be arrested. It is noted that [ ] was subsequently found guilty of the charge of supplying false information and received a fine of \$50.00 plus costs and 60-day suspended sentence. The case was appealed on December 5, 1963.

On November 13, 1963, [ ] swore out two warrants for the two FBI Agents who had attempted to interview [ ] at NSRP headquarters. These warrants were obtained from the Jefferson County Clerk's Office, Birmingham, Alabama, and charged these agents with Trespass after Warning and Disorderly Conduct.

On December 2, 1963, motions were filed by the U. S. Attorney, Northern District of Alabama, Birmingham, Alabama, to have these charges transferred from local court into Federal Court.

On December 2, 1963, [ ] U. S. Attorney's Office, Northern District of Alabama, advised that the petition on the motions to have this case transferred to Federal Court was granted and approved on December 2, 1963. She further advised that no date had been set at that time for any hearing or trial in this matter.

On April 16, 1964, [ ] stated that this matter is still pending and no date has been set for any hearing or trial.

On December 16, 1963, BH T-2 advised that he believed [ ] had located a meeting place in the Ensley section of Birmingham, Alabama, to hold NSRP meetings. BH T-2 stated that [ ] and J. B. STONER would probably be the individuals involved in organizing and setting up this meeting hall. On January 8, 1964, BH T-2 advised that this meeting hall is located at 2008-10 Avenue E, (Ensley) Birmingham, Alabama. He mentioned that the

BH 105-477

meeting area was a large room located on the second floor above the Liberty Loan Company, 2008 Avenue E, Ensley. He advised that the hall was badly in need of repairs and that such repair work was progressing very slowly. BH T-2 advised that [REDACTED]

[REDACTED]

On April 15, 1964, BH T-2 advised that the NSRP plans to begin to hold meetings in this hall sometime during late April or early May, 1964.

Issue No. 56 of "The Thunderbolt" on page one contained an article entitled, "Matt H. Murphy, Jr. to Defend States Righters." This article reflects that MURPHY, a Birmingham attorney, would represent the seven members of the NSRP who were among eight individuals all together indicted by the Federal Grand Jury at Birmingham, Alabama, during September, 1963, for obstructing of justice in connection with the court-ordered desegregation of three public schools in Birmingham, Alabama, during September, 1963. The article continued by setting out what alleged to be the referred to indictment and reflected the defendants as: EDWARD R. FIELDS, GERALD Q. DUTTON, JESSE B. STONER, JAMES K. WARNER, BARNEY M. CARMACK, JR., and RALPH LEWANDOWSKI.

Page 2 of this issue contained an article entitled, "States Righters Plead 'Not Guilty'." This article stated that motions were filed by MATT MURPHY in U. S. District Court to have the above indictment dismissed. The article continued what alleged to be these motions.

It is to be noted that on February 15, 1964, U. S. District Judge CLARENCE W. ALLGOOD, on motion of the defendants in this matter, dismissed all counts of the above referred to indictment, charging the defendants with forcibly obstructing court-ordered desegregation in Birmingham and ordered the charges to be resubmitted to the next Federal Grand Jury. The Federal Grand Jury is expected to convene in Birmingham, Alabama during August, 1964.

Judge ALLGOOD stated that there existed "fundamental deficiencies" in the wording of the indictment as a reason for its dismissal. He stated, however, that there was sufficient "probable cause" to hold the defendants involved in this matter under bond pending further Grand Jury action. Judge ALLGOOD

BH 105-477

retained one count of the indictment and this count was one charging [ ] with possession of a non-registered shotgun.

On March 31, 1964, BH T-1 furnished a copy of a leaflet entitled "The Way," Issue Number 1, dated March, 1964, which is self-described as the official publication of the Alabama State Division of the NSRP. This leaflet reflected the Editor to be JERRY DUTTON and further reflected JAMES R. McDANIEL, JR. as the State Director of the NSRP in Alabama.

BH T-1 further advised that [ ] and [ ] will be in charge of the NSRP for the State of Alabama, conducting business through P. O. Box 8399, Ensley Station, Birmingham, Alabama. BH T-1 stated that in addition to the Alabama State Division of the NSRP, the National Headquarters for this organization will still be maintained at 1865 Bessemer Road, Birmingham, Alabama. On April 17, 1964, BH T-1 advised that [ ] is still believed to be [ ] of the NSRP at Birmingham, Alabama, in addition to his new title and duties. BH T-1 advised that the Alabama State Division of the NSRP will probably utilize the meeting hall in the Ensley section of Birmingham for conducting its meetings.

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue Number 54, dated November, 1963, reflects the mailing address of the NSRP is still Post Office Box 783, Birmingham, Alabama.

On December 12, 1963 a source advised that

"Dear Comrade and friend,

"I want to thank you sincerely, as always,  
for your last letter.

"Yes, I shall mail the 3 Fascist special issues  
to you, but I don't have any available here in Rosendale.  
I'll have to wait until I get back to New York City. We  
have a store here which sells anti-Jewish books. (I am  
working with [redacted] of the National States Rights

with the ANP. The ANP is very poor right now, and has  
no Jew or Communist money. Of course, ROCKWELL is not  
always right. He always does bad things but at the  
present time he is the best leader we have. I believe  
one should work with the swastika (of course not in

"I don't have any American Nazi flyers or magazines here and I have to buy these things from Arlington (and I am very poor right now) but I'll be looking for something for you soon.

"Write me again.

"Death to Juda!  
"Hail Hitler!"

This letter was translated by SA [redacted] who advised it was written in extremely poor German and contained numerous Anglicisms as well as grammatical errors.

It is noted that [redacted] who is a member of the American Nazi Party of New York (ANP, NY) on [redacted] was found guilty by a Supreme Court jury in Supreme Court, Bronx, NY, of incitement to riot, a felony. Sentencing is set for [redacted]

ReBulet to Birmingham 6/16/64.

The literature which was sent anonymously to [redacted] at his home address in the USA, is identical with literature previously known both to the NYO and the NYCPD, which literature also was sent to people who are obviously of Italian extraction.

In past cases, the sender of this literature apparently obtained the names of the recipients from review of telephone directories and apparently restricted his list of recipients to persons of Italian extraction.

Further, it is noted that this hate literature urged the recipient to join either captioned party or the National Renaissance Party (NRP).

NYO has no information as to the identity of the sender of this literature or of his connection, if any, with the NSRP or NRP.

No letterhead memorandum is being furnished inasmuch as there is no positive information to be reported.

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by JEROME BAKST entitled "Angry Young Men of Hate." Regarding EDWARD R. FIELDS, the article states, "FIELDS, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and coordinator of all its activities, contacts and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided STONER in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending

[redacted] He stated he was a member of Fighting American Nationalists (FAN) from [redacted] and had been interested in the American Nazi Party (ANP) since sometime prior to January 5, 1962. He stated he ceased all activity in the ANP, WYC, and FAN in [redacted] On May 13, 1964, [redacted] telephonically advised an SA of the FBI that he is not a member of the ANP, but is a Party sympathizer. On June 13, 1964, [redacted] described himself as a Fascist in a telephone conversation with an SA of the FBI.

Characterizations of the ANP, FAN, and WYC are attached hereto.

A source, who has furnished reliable information in the past, advised on [redacted] he had ascertained that [redacted] had a speaking engagement scheduled for Philadelphia, Pa., on Tuesday, 7/14/64.

NATIONAL STATES RIGHTS PARTY

A membership application for the NSRP obtained by [redacted] Commissioner's Office, Philadelphia Police Department, at the meeting held on July 14, 1964, reflects under the caption National Officers the name Doctor EDWARD R. FIELDS as Information Director.

Special Agents of the FBI observed 40 persons enter the premises at 330 North Broad Street, Philadelphia, Pa., between approximately 7:25 and 8:30 p.m. on July 14, 1964. The building at that address is identified as the Pennsylvania State Camp of the Patriotic Order, Sons of America. An illuminated sign over the door denotes the building as the Sons of America building.

Members of the Intelligence Unit, Philadelphia Police Department, attempted to attend the above meeting without identifying themselves, but were denied admittance. [redacted] above, then approached the Sergeant-at-Arms at the door of the meeting hall, identified himself, and stated that he had the responsibility of inspecting public meeting halls, noting that this hall had not applied for a city license to rent its premises. The police were subsequently admitted to the meeting and heard the major portion of [redacted] speech.

According to [redacted] was discussing the McCarran Act and noted that some phases of this act or changes thereto were being backed by the NAACP and [redacted] spoke very strongly against this. [redacted] then discussed Governor WALLACE's presidential campaign plans and noted he will continue to fight for the presidency to help change the white majority vote. He stated WALLACE wants a repeal of the Civil Rights Bill and wants a moratorium on all civil rights actions. [redacted] continued WALLACE endorses the NSRP and is going to attempt to have the NSRP platform made a part of the major political party platforms.

[redacted] then gave a brief history of the NSRP, stated it was originally organized in 1958 in Alabama, and has now spread to 30 states, with a total of 100,000 members. He stated

the NSRP is the only racist national organization representing the white Christian.

According to [redacted] then made statements in explanation and clarification of statements apparently made in a previous speech by [redacted]

The "Philadelphia Inquirer," a Philadelphia daily newspaper, in the May 21, 1964, edition contained an article on page ten entitled, "Extremists Recruit in Suburban Counties." The article contained information from GILBERT PACQUETT of Folcroft, Pa., identified as the Pennsylvania organizer for the NSRP.

[redacted] continued Philadelphia can become the leader in the "right wing" movement and stated that the NSRP needed to bring its message to white Christians. He stated the NSRP must resort to mass distribution of leaflets and needs a telephone number and local (Philadelphia) headquarters. [redacted] noted successes of the NSRP in Birmingham, which is 45 per cent Negro, and added that in Philadelphia, which is only 27 per cent Negro, the NSRP could "master and control the parties," apparently in reference to major political parties. He concluded by stating that Negro and white marriages lead to "mongrelization" of the races. He stated this is worse than the results of an H-bomb. [redacted] briefly described himself as being born in Chicago and moving to Atlanta, Ga., at the age of six months. He stated he was leaving Philadelphia for New York City on Thursday (July 16, 1964) to fulfill a speaking engagement there.

[redacted] stated from information he received the meeting began at approximately 8:00 p.m. and was terminated at 9:30 p.m. The meeting was quiet and orderly, there were no pickets or demonstrators outside the meeting hall, and there were no arrests and no incidents occurred.

[redacted] identified [redacted]

[redacted] as being in attendance.

[redacted] identified himself as a member of the American Nazi Party (ANP) when interviewed by Special Agents of the FBI on April 13, 1964.

AMERICAN NAZI PARTY OF THE WORLD UNION  
OF FREE ENTERPRISE NATIONAL SOCIALISTS,  
aka. THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leaders," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963 a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 31, 1963 this source advised that in about September 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the Swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted] the admitted former [redacted] advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP, although until December 1962, it received all its literature from George Lincoln Rockwell's ANP.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "that attainment of power through the votes of the newly-won masses."

FIGHTING AMERICAN NATIONALISTS (FAN)

b6  
b7C

On February 23, 1961, George Lincoln Rockwell, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [REDACTED] as an anti-communist organization. Rockwell said FAN was organized in September, 1960 and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of Adolf Hitler.

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, Rockwell said.

Rockwell continued there are three members of the FAN in [REDACTED]  
[REDACTED]

A source advised on February 17, 1961 that in talking to [REDACTED] [REDACTED] stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of Rockwell and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

On February 15, 1962, [redacted]  
[redacted] American Nazi Party, characterized the White Youth Corps as one which he established for the purpose of recruiting high school students into the Fighting American Nationalists. He said he placed one [redacted] in charge of the White Youth Corps.

On March 23, 1962, [redacted] stated it is anticipated that members of the White Youth Corps, when they meet the age and other requirements, will be accepted into the Fighting American Nationalists or the American Nazi Party.

National States Rights Party (NSRP)  
Racial Matters

By letter, dated June 8, 1964, the Office of  
Special Investigations (OSI) made available literature which  
had been addressed to [redacted]  
[redacted]

This literature was forwarded by his mother to  
[redacted] is currently serving  
in the United States Air Force.

The literature consisted of five 3x5 slips of  
paper on which was printed a message containing several  
vulgaritys and apparently addressed to people of Italian  
extraction. The message is rambling and incoherent and  
appears to accuse the "Jews" and "the Catholic Church" of  
engaging in some form of conspiracy against people of  
Italian extraction citing as an example "the Catholic Church  
officially OK'd the Untouchables as a good program."

The literature exhorts the reader to join the  
"Renaissance" or "States Rights Party" and pass the literature  
on to other Italians. It also refers to "the Jew" as "the  
mortal enemy."

Also enclosed with this literature were postcards  
addressed to "NSRP, Post Office Box 783, Birmingham, Alabama"  
and printed "Please send me free of charge your latest  
issue and literature" with instructions for the reader to  
print his name and address on these postcards.

On November 15, 1963, Mr. R. J. Hickey, Postal  
Inspector in Charge, Post Office Department, New York 1,  
New York, furnished the New York Office of the Federal  
Bureau of Investigation with the identical literature which had  
been received unsolicited through the mails by [redacted]  
[redacted] during  
October, 1963. [redacted] had turned this literature over to  
Mr. Hickey as a possible postal violation and Mr. Hickey in  
turn had furnished it to the New York Office of the Federal  
Bureau of Investigation.

## National States Rights Party

In November, 1963, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that his department was aware of such literature being circulated through the mails and stated that it was obviously the work of a "demented and disturbed person" whose identity was unknown.

Detective [redacted] who is familiar with the activities of such organizations as the National States Rights Party (NSRP), and the National Renaissance Party (NRP) stated he is certain that this literature has not received the sanction of either the NSRP or NRP because of the incoherent manner in which the literature is printed and because the NRP and NSRP have not attempted any membership drives in the New York City area.

Detective [redacted] stated that he is convinced that the person responsible for the printed literature is the same individual who is responsible for circulation in 1961 in the New York City area of an anti-Semitic letter addressed "Dear Wop" which appeals to the reader to fight the Jews by sending contributions to the American Nazi Party (ANP) in Arlington, Virginia.

Detective [redacted] stated that in all instances the literature was unsigned and was addressed to people of Italian extraction whose names and addresses were probably secured by searching through telephone directories for persons of obvious Italian extraction.

Detective [redacted] further advised that literature written by the anonymous individual has been turned over to the New York City Police Department Laboratory for examination but no suspects have been developed.

Detective [redacted] stated that the New York City Police Department is of the opinion that the above-mentioned literature is the work of a lone person who is a "mental case."

National States Rights Party

On July 8, 1964, Detective [ ] stated there has been no further development with regard to establishing the identity of the sender of such literature and there has been no evidence of it in the New York City area in recent months.

AMERICAN NAZI PARTY,  
NEW YORK (ANP, NY)

On June 13, 1963, a source advised that [ ]  
[ ] had been designated by GEORGE LINCOLN ROCKWELL,  
leader of the American Nazi Party (ANP), Arlington,  
Virginia, to establish in New York City the American  
Nazi Party, New York (ANP, NY).

According to the source the ANP, NY, will promote,  
in the New York City area, the policies of the ANP which call  
for the migration of Negroes to Africa and the trial and  
execution of all Jews guilty of Communist and Zionist  
treason.

On December 12, 1963, the above source further  
advised that the ANP, NY, which formerly had its headquarters  
in the basement of 214 East 85th Street, New York City, had  
established new headquarters in apartment 2W, 319 East 93rd  
Street, New York City, on December 7, 1963. The existence  
of the new headquarters, in which [ ] was to take up  
residence with his mother and two other ANP, NY members,  
will be known only to trusted members of the ANP, NY.

APPENDIX

NATIONAL RENAISSANCE PARTY

On July 16, 1963, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE, at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

### APPENDIX

#### NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue Number 54, dated November, 1963, reflects the mailing address of the NSRP is still Post Office Box 783, Birmingham, Alabama.

On December 12, 1963, a source advised that [redacted]

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

NYO did not transmit to the Bureau the literature referred to in enclosed LHM which was received by [redacted] in 10/63, since it was not deemed to be literature published by any organization but rather the work of a demented individual who harbors anti-Semitic and anti-Catholic sentiments.

b6

Further, it did not appear logical the NSRP, NRP or ANP would utilize such a poorly and incoherently written letter to promote membership in their respective organizations.

However, since the most recent literature was submitted outside the NYC area, and since the Bureau may receive other inquiries concerning such literature, the NYO will in the future forward to the Bureau and pertinent offices copies of any additional literature received.

RACIAL MATTERS

On April 28, 1964, Sergeant [redacted] Milwaukie Detachment, Oregon State Police, Milwaukie, Oregon, with residence at [redacted] exhibited some literature which had been received through the mail by him at his residence several days earlier. The plain white envelope contained no return address and neither the envelope nor the material therein contained any identification regarding the sender. The envelope was postmarked, New York, New York, April 23, 1964.

The literature enclosed consisted of five white slips of paper approximately 3" x 6" on which was printed a rambling message. Also enclosed were five postal cards, description of which follows.

The message appeared to be directed to persons of Italian ethnic origin and referred to Italians as a group in an uncomplimentary vein, using several vulgar expressions regarding them. The communication in addition to being critical of Italians, also was critical of "Jews" and of the "Catholic Church," noting that "the latest missals from the Catholic Church exclude the part where the Jews killed Christ and as fantastic as it may seem are blaming the Italians. Now we are Christ killers.....The Catholic Church officially ok'd the Untouchables as a good program." It goes on to state that "The Church and the Jews have joined to destroy you." It relates that "only the wrong we do is played up in the Jew controlled press" and then asks if the reader has ever seen one of the two major political parties in the United States, "the Jews and the Church back up investigation of the Jew Commies the Negro rapists or the Porto relievers." The message urges the reader "If you're a man join the Renaissance or States Rights Party," and requests the recipient to send

one of the five cards enclosed and take "four names like yours from any phone book and mail them in." It continues, "We have absolutely nothing to do with these parties so don't write or complain to them about our troubles." It also urges "Boycott the Church." On the reverse side of the last page, written in long hand is the statement, "The Jew is the Italian American's mortal enemy." It concludes with "Vote! Boycott! Subscribe!"

The five postcards enclosed with the communication each contained the printed address "N.S.R.P., P.O. Box 783, Birmingham, Alabama," and on the reverse side contained the message "Please send me free of charge your latest issue and literature," with instructions at the bottom for the sender to print his name and address on the card.

Sergeant [ ] advised June 18, 1964, that he had no explanation for his name being selected for receipt of the material, other than that the material appeared to be intended for persons of Italian extraction and his name may have been selected from a Portland telephone directory. Sergeant [ ] stated that through inquiry of acquaintances of similar Italian extraction he had learned that [ ] had also received the identical material, in an envelope similar to that received by him, and likewise postmarked in New York, New York, April 23, 1964. Sergeant [ ] related that [ ] who is in the produce business, like himself could offer no explanation for his having been singled out to receive the material described.

Characterizations of the NSRP and the National Renaissance Party are attached hereto.

Officer [ ] Intelligence Unit, Portland Police Bureau, who is familiar with the NSRP advised on April 30, 1964, that he had no prior knowledge of the existence of the material in question and could offer no suggestion as to the identity of the person responsible for the mailing. Similar information was provided on July 14, 1964, by Lieutenant [ ] Intelligence Unit, Portland Police Bureau.

Re Bureau letter to Birmingham, 6/16/64 and New York airtel to Bureau, 7/9/64.

Enclosed herewith for the Bureau are the original and seven copies of a letterhead memorandum suitable for dissemination regarding captioned matter.

It is pointed out that the original source of the literature referred to, a Sergeant in the Oregon State Police, advised that he had no explanation for his name having been chosen for receipt of the material unless it was selected from a Portland telephone directory. He could suggest no one who might have mailed the material from New York. The material in question appears to be identical in content and manner of printing with that enclosed with Legat, Rome letter to Bureau dated 6/8/64.

There has been no indication that the NSRP has become active in the Portland Division. In this connection

There is no reason for belief that [redacted] had any connection with mailing of the letters in question. Prior investigation has failed to disclose any feeling by [redacted] of animosity towards persons of Italian ethnic origin or towards the Catholic Church.

Postal Inspector [redacted] Portland, likewise had no prior knowledge of the receipt of material such as is described in the enclosed letterhead memorandum. A copy of the material described was made available to him for information.

Since the distribution of the literature in question appeared to be isolated and the work of an unknown person of questionable rationality, rather than effort of the NSRP to recruit members, no further action was taken.

In the future the Bureau and pertinent offices will be promptly advised of any such mailings coming to the attention of this office.

Copies are furnished New York for information since the letters in question were postmarked in New York.

ReBulet 6/16/64 and your letter 6/29/64.

The Bureau disagrees with your observation that no positive information has been reported concerning hate literature being received by persons of Italian extraction to join the National States Rights Party (NSRP) and the National Renaissance Party (NRP). Your letter points out the New York City Police Department has information that other persons of Italian extraction have received such literature.

Immediately submit a LHM furnishing all information in your files concerning the receipt of such literature and contact the New York City Police Department for information in their files.

It appears that your office has had information concerning the receipt of such literature by persons in the United States and you have not furnished such information to the Bureau. This matter should be looked into and if any derelictions occurred on the part of Bureau personnel, explanations and appropriate recommendations should be submitted.

DETAILS:

"THE THUNDERBOLT" - Publication of  
the NATIONAL STATES RIGHTS PARTY  
(NSRP)

"The Thunderbolt" is self-described as the  
"Official White Racial Organ of the NSRP."

A characterization of the NSRP is set forth  
in the appendix to this report.

Issue #58 of "The Thunderbolt" dated April, 1964, carried a main headline of "States Rights Can Win In '64." Under this headline is a picture of JOHN KASPER and above his picture is the notation "Kasper - Man of Destiny." An article under KASPER's picture stated that the NSRP chose JOHN KASPER as its candidate for President of the United States and that for the first time a third party (NSRP) is running a serious campaign. The article stated that JOHN KASPER was a man who stood with our "White Race" in its struggle for survival and supremacy. It was also stated that KASPER was a man who stood with America and against "Jewish Communism."

Issue #58 of "The Thunderbolt" on Pages 3 and 4 carried an article captioned "Proof Oswald a Communist Agent." This article stated that it had been written by CARLOS BOINGUIES. The article reflected that according to BOINGUIES he had known LEE HARVEY OSWALD and that after the assassination of President JOHN F. KENNEDY, he (BOINGUIES) had gotten in touch with the FBI, the United Press, the Associated Press and local newspapers in New Orleans, Louisiana, and had told them who OSWALD was. The article went on to state certain things as facts in regard to OSWALD's questionable activities, according to the author, prior to the assassination of President KENNEDY.

Issue #58, on Page 12, reflected that Dr. EDWARD R. FIELDS was then the Editor and "JIM THORNTON" was then the Associate Editor of this paper.

BH 105-477

Issue #58, on Page 4, also carried a caption of "Boycott Sponsors Of Race Mixing T.V. Shows," above photographs of two couples. In each of these photographs was a white male and a Negro female. Page 7 also carried photographs of deceased persons and above two of these photographs was the statement "Arab Victims Of Jewish Atrocities." Above is another photograph of several deceased persons also a caption "Jewish Atrocities" and below the photograph was the statement "Jews Lines Up Arab Woman & Children & Shot Them Down."

Issue #58, on Pages 8 and 9, carried an article captioned "The International Jew" which reflected that it had been written by HENRY FORD of the Ford Motor Company.

Page 9 of Issue \$58 of "The Thunderbolt" also carried statements "Race - Mixing -- A Crime Against Nature!" and "Inter-Racial Play Leads To Inter-Racial Marriage."

Issue #58, on Page 10, carried an article, "FBI Conspiracy To Frame Jacksonville Whites" and also carried an article accusing FBI Agents of "terror tactics."

Issue #59 of "The Thunderbolt" dated May - June, 1964, carried a main heading of "Civil Rights Bill Unconstitutional" and a sub-heading of "Massive Defiance Seen." The article stated that the Civil Rights Bill would not work, that it was unconstitutional and that the time had come to stand up and fight the Civil Rights Bill. The article also urged, "Lets Kick Out of Office Every Single Criminal in the U. S. House and Senate Who Voted

BH 105-477

For This Bill." Issue #59 of "The Thunderbolt", on Pages 2 and 3, carried the caption "Brief Story of the Life of Governor George Wallace" and some of the photographs included other members of his immediate family. On these pages was also an article concerning considerable background information concerning WALLACE and his family.

Issue #59, on Page 5, carried a heading, "Robert Welch Admits Libel But Refuses To Retract." On this page was also a caption, "Dr. Fields Forced To Sue" and this article stated that on May 26, 1964, Dr. EDWARD R. Issue #50 of "The Thunderbolt", on Page 3, carried a caption, "Jews Seek Immigration Bill Changes." Under this caption was one article bearing the caption "NSRP Stand" and to the right of this article was another article captioned, "The Jewish Stand." On the bottom of Page 3, Issue #60, was a statement "Mixed School Rooms Lead To Mixed Families" which statement appears below photographs allegedly showing mixed groups and/or children of a mixed marriage.

Pages 8 and 9 of Issue #60 of "The Thunderbolt" carried a heading "Exposed: How Bobby Kennedy Framed Jimmy Hoffa" and an article under this caption which allegedly explained the headline. Pages 8 and 9 also carried an article captioned, "Fred Cook's Sensational Hoffa Story."

Page 13 of Issue #60 of "The Thunderbolt" carried a heading "Welch Retracts and Apologizes." The article under this heading reflected that the local action taken by Dr. EDWARD R. FIELDS and ROBERT LYONS (described above) against ROBERT WELCH and the John Birch Society had been dismissed in the courts. It was further stated that he (FIELDS) went to Kingston, New York and visited JAMES K. WARNER, former Associate Editor of "The Thunderbolt", who was then in jail serving a six-months sentence.

Issue #61 dated September, 1964, of "The Thunderbolt" carried a headline "L.B.J. Loads Government With Negroes." On Page 1 was an article under the above headline which stated that there was a silent revolution going on in America today and that "the Negro is taking over the United States Government." The article also stated that "we have been sold down the river by scheming politicians who would totally mongrelize the white race."

Page One also carried a photograph showing President LYNDON JOHNSON conferring with a group of Negro Civil Rights leaders. Page One also carried a caption "Negro Appointments Listed," which set forth the names of quite a number of persons reportedly "Negro appointments" to official positions in the U. S. Government.

BH 105-477

Page Two of Issue #61 carried a photograph of President JOHNSON's daughter (LYNDA BIRD) sitting along side a Negro male. Over the photograph is the following statement: "President's Daughter Integrates." Under the photograph is the following: "Lynda Bird Eats With Negro -- Snubs White Servicemen" and below this heading is an article alleging that the President's daughter had recently gone to Athens, Greece, and while there had visited a U. S. Air Force Base Cafeteria to eat. T-2 further stated that [redacted] remarked [redacted] (phonetic) was now living in Birmingham, Alabama, and that temporarily [redacted] are staying at the meeting hall in Ensley. According to the informant, [redacted] also remarked that he [redacted] did not agree with the above-mentioned group in regard to their "radical plan"; that he did not approve of wearing uniforms and also that he [redacted] had charged all the locks at the National States Rights Party Headquarters, 1865 Bessemer Road, Birmingham.

T-2 further advised that [redacted] had made known to him that he [redacted] was personally notifying the Birmingham Police Department that he would not be responsible for any actions committed by the new group calling themselves the American States Rights Party. On August 14, 1964, Birmingham Confidential Informant T-3 made available a one-page leaflet captioned "Important Notice!" This leaflet reads as follows:

"To all N.S.R.P. Members and supporters. Two former members of NATIONAL STATES RIGHTS PARTY have formed their own group and are calling it the American States Rights Party. They also have copies our symbol the Thunderbolt, as well as our name. We want it thoroughly understood that there is absolutely NO connection between the two names. All splinter groups which have ever left the N.S.R.P. in the past have failed. Operating from a post office box, also in Birmingham, this rump group of about 5 people will spread confusion and disunity by their plagiarizing our name and symbol. All loyal NATIONAL STATES RIGHTS PARTY people should ignore these disruptors and continue backing 'America's Largest Third Party,' the NATIONAL STATES RIGHTS PARTY. Dont let their slightly changed name fool you - continue, as before, to send all memberships, subscriptions, orders and contributions to P.O. BOX 783, BIRMINGHAM, ALA. Do not be confused, we are the ONE and ONLY ---

NATIONAL STATES RIGHTS PARTY

On August 24, 1964, Birmingham Confidential Informant T-1 made available a leaflet captioned, "A Party not a Publication." This leaflet reads in part as follows:

"On April 28, 1964, Jerry Dutton, National Youth Leader, Robert, Bowling, National Co-Ordinator, Jim Thornton, Associate Editor of the Thunderbolt, Albert Deshazo, Georgia organizer, and many local members resigned from their positions in the NSRP in protest of the defeatist policies of Dr. Edward R. Fields. Many more resignations are expected at the release of this letter. It has been almost seven years since the founding of the NSRP. In the course of these years the party has grown very little while the party publication The Thunderbolt has grown to 16 pages. Although since the resignation of the party organizers only one edition of the 16 page Thunderbolt has been published. This was the 'May-June' edition. In a letter sent out by Fields last week, money was asked to finance a 'July-August' edition. Lack of funds at this time of year indicates that the people have lost faith in Dr. Fields. The Summer months are the best months for a political party for organizing and fund raising. A political party must have funds to grow and expand. But if the money sent to a political party is not used correctly it will never become a power. While a political party must have a publication, the purpose of the publication is to enlighten the people to basic truths and doctrine. No party in history has ever published its way to power. Today the national leadership of the NSRP consists of Ned Dupes, 'National Chairman', who is a figurehead for Fields and Dr. Fields who has ultimate control of all finances and who makes all

BH 105-477

decisions accordingly. At no time in the history of the NSRP has any national officer resigned and formed an independent organization. Fields letter states that all attempts in the past have failed, actually no attempts have been made. We shall not fail! We are growing daily by leaps and bounds. We are the party which Fields complained about in the letter. We have formed the AMERICAN STATES' RIGHTS PARTY. Funds from loyal party members have launched our publication, the WHITE AMERICAN."

On the morning of September 29, 1964, Birmingham Confidential Informant T-4 advised that he had just learned that GEORGE LINCOLN ROCKWELL was then in Birmingham, Alabama, and was staying at the Bankhead Hotel. FIELDS of Birmingham, the Information Director of the NSRP.

The article continued by stating that Mr. ROCKWELL, a resident of Arlington, Virginia, claimed in his complaint that FIELDS had for more than two years "engaged in a continuing conspiracy" to "ruin" him. It was stated that ROCKWELL had remarked that he took the action "with great regret", because, at one time, he and FIELDS worked together. ROCKWELL was also quoted as stating "He (FIELDS) used to believe in HITLER and everything that I do." The article further stated that attached to ROCKWELL's complaint, which had been filed in the U. S. District Court, was a copy of a letter signed by FIELDS addressed to a man (name not mentioned) in North Carolina, in which FIELDS stated ROCKWELL had misused \$6,600 from the man.

Page 2 of Issue #58 of "The Thunderbolt" carried a heading "Kasper Defeats Vicious Smear Plot." There was also a sub-caption, "Lying Press Refuses To Correct False Story." This article stated that on April 15 (1964) the Associated Press had carried out one of the most libelous smear assaults ever made against JOHN KASPER. The article stated that when KASPER received the nomination of the NSRP for its candidate for President of the United States, pressure had been greatly increased to frame him and the article allegedly set out facts tending to try to show the alleged frame up.

Page 4 of Issue #60 carried a heading, "Nat'l Chmn. Dupes Defines Pharisee and Anti-Semitic." Below this heading is an article reportedly giving definitions in that regard as given by NSRP National Chairman NED DUPES of Knoxville, Tennessee,

#### NSRP ACTIVITY IN WASHINGTON

Page 8 of Issue #61 of "The Thunderbolt" carried an article captioned "Washington" which stated that NSRP Co-ordinator MIKE CAMERON had just completed a speaking and organizing tour in Washington state. It was stated that CAMERON held many meetings with members of various cities and that in Seattle, arrangements had been made for the NSRP to open up a local office. MIKE CAMERON was described as one of the top organizers of the NSRP.

FREE CORPS

In recent weeks a confidential source has furnished information on several occasions relative to the "Free Corps" apparently a new organization along racist lines. The following pertinent data has been developed:

On November 23, 1964, a source advised that ROY E. FRANKHOUSER, JR., and [redacted] and Colonel [redacted] under GEORGE LINCOLN ROCKWELL in the American Nazi Party (ANP), possibly accompanied by others, planned to visit "upstate New York." On December 10, 1965, this same source advised that the above-mentioned three plus a fellow named [redacted], had gone to visit FREDERICK WEISS. Information from Baltimore and New York reflected that they went to New York and that WEISS was ill on November 29, 1964, and the travellers were unable to see him but did speak with his wife on the phone.

A characterization of the ANP is attached.

On December 28, 1964, the source exhibited a small newspaper he had received by mail, postmarked Jamaica, N. Y. This paper was Issue #3, dated December 1964, and according to the "masthead" is published in New York City. DAN BURROS is the editor. The name of the paper is "The Free American."

This paper makes mention of the fact that ROY E. FRANKHOUSER is the new Director of Security and Intelligence for the Free Corps. The article reported that FRANKHOUSER would handle liaison between the Free American and other right wing groups. FRANKHOUSER was also described as a "veteran campaigner who has been beaten and tortured several times for his National Socialist beliefs."

## FREE CORPS

Another article in this paper under the heading "New Fascist Commandos" read, "We are happy to announce the formation of a new right wing guerilla type organization called the 'Free Corps.' The purposes of the para-military organization is to assist other right wing groups and combat any red take-over with armed force - and restore order."

Accompanying this article were two photographs, poorly reproduced, but which appeared to depict FRANKHOUSER dressed in a German World War II style uniform saluting an officer, and two persons, one with a rifle and one with a steel helmet and pack in a wooded area.

Source also advised January 4, 1965, that all the members of the local group were to get memberships in a local sportsman's club, the Daniel Boone Rod and Gun Club. This organization has a rifle range, and according to FRANKHOUSER, membership will explain any rifles "we" might be caught carrying.

On January 16, 1965, source quoted FRANKHOUSER as saying "our organization will combine the best features of the American Nazi Party, the National States Rights Party (NSRP), the Minutemen and 'other right wing groups.' We will use the ideas of the Minutemen for our military training and build a strong underground movement."

A characterization of the NSRP is attached.

FRANKHOUSER claimed to have some lists of Communists and literature on silencers and on demolition with explosives obtained from literature of the Minutemen. According to FRANKHOUSER, the local group will actually be a "front" for the American Nazi Party, and ROCKWELL has given full approval to all the activities and plans. FRANKHOUSER also told source that DAN BURROS, editor of the Free American, is an underground member of the ANP. b6 b7C

On January 19, 1965, a second source reported that [redacted] [redacted] had rented [redacted] in the Reading Post Office, and was receiving mail there addressed to the "NSRP."

The first source on several occasions indicated that FRANKHOUSER was planning on establishing a local headquarters, and on [redacted] a meeting was called. It was determined that [redacted] signed a monthly lease on the large old and b6 b7C b7D

FREE CORPS

run-down house located at [REDACTED] paying \$45 monthly. The Berks Colonial Realty Company is agent for the premises. Twenty-eight persons had allegedly been invited to this meeting, but the weather was very bad, and driving hazardous, so that only seven persons, all local, were present. FRANKHOUSER claimed that this headquarters will be used for training. Persons will come here and then be sent out to establish other "cells." An individual named [REDACTED] is living at headquarters as an armed guard to protect the premises and records.

b6  
b7C  
b7D

First source has seen a typewriter, mimeograph machine and a tape recorder there, and [REDACTED] is reported to have a rifle and handgun. [REDACTED] came from Florida, but had been in Philadelphia for a time. Source has also seen several weapons in the room of ROY FRANKHOUSER, JR., at 133 South 4th Street, Reading, Pa. These included a German Luger, a German Walther P-38, a small Mauser automatic, and another gun described only as a .38 automatic. FRANKHOUSER also has a German military rifle which has been fitted with a telescopic sight.

On January 25, 1965, information from a third source was received reflecting that ROY FRANKHOUSER, JR., had invited [REDACTED] of Baltimore to come to Reading, Pa., on Saturday, [REDACTED]. The purpose of this visit was to have [REDACTED] participate in a meeting between FRANKHOUSER, [REDACTED] FRED WEISS from New York State, and Colonel [REDACTED] (ANP). [REDACTED] FRANKHOUSER wanted the group to meet to discuss the future of a new "independent" Nazi Newspaper called the "Free American." WEISS was a financial backer, [REDACTED] and FRANKHOUSER a contributor. FRANKHOUSER also wanted to have [REDACTED] and WEISS and convince him that they were worthwhile allies of the ANP.

According to this source, [REDACTED] spent the night of [REDACTED] with FRANKHOUSER at the latter's place, [REDACTED] where FRANKHOUSER showed him four rifles, two pistols, and a German machine gun. FRANKHOUSER said this latter weapon has a switch to change from semi-automatic to full automatic fire, is fully operable, and cost him less than \$40. FRANKHOUSER reportedly has some parts for this gun concealed beside his bed. He also exhibited what he claimed was a fully

armed U. S. military hand grenade. Then he related to [redacted] that this was only a small part of the "arsenal" that he and [redacted] They were also in possession of 500 pounds of "gelatin nitrate" which is buried under the house at 133 South 4th Street, and running parallel to the waterpipes so as to foil detection by metal detecting devices.

The third source also related that the next day the group [redacted] met them, but reported WEISS was too ill to see them. [redacted] called but WEISS was too ill even to come to the phone.

On February 2, 1965, the first source advised that ROY FRANKHOUSER had issued a set of orders which read as follows:

"General Orders for the next two weeks,  
from the Irishman

- "1. Read a book on Guerilla Warfare - write a short book report.
- "2. Check what you have in the way of firearms and ammo. See how much money you could put away each week on a carbine or M-1.
- "3. Write a note on paper saying 'Your code name' reporting for duty. Use P. O. Box 1432 as a return address - put any newspaper clippings of interest and airmail Monday to Quality Drug & Chemical Company, P. O. Box 246, Sedalia, Mo. Wrap note in blank paper or carbon.

"Code for the month - commit to memory. Write any important messages in code and mail to P. O. Box 1432.

"Next meeting in two weeks, for two hours. You will be contacted three days before.

"/s/ The Irishman"

Source stated that "The Irishman" is a code name FRANKHOUSER uses. FRANKHOUSER wanted to have sufficient copies of this "general order" typed to that one copy can be sent to each of the men who attended the last meeting, namely FRANKHOUSER, [REDACTED] b6 b7C b7D

Source also stated that each of the foregoing men, according to FRANKHOUSER, has been submitted as a member of the Daniel Boone Rod & Gun Club. It is a mere formality until they will be members.

FRANKHOUSER mentioned that the address in Sedalia, Mo., is the headquarters of the Minutemen.

[REDACTED] claims that he already has a carbine and two 30 round clips; all the others are supposed to get these weapons as soon as possible.

The first source on February 2, 1965, advised that [REDACTED] reportedly has a .30 surplus army carbine, and two 30 round clips.

On February 3, 1965, the first source learned from FRANKHOUSER that surplus carbines could be obtained from Southern Information Service, P. O. Box 8565, Birmingham, Ala., and that each member of the local group was expected to have such a weapon. FRANKHOUSER also spoke in terms of each having both legal - that is registered - and illegal or unregistered and presumably untraceable handguns.

On this same occasion source observed in FRANKHOUSER's possession a receipt from a local gun dealer indicating that FRANKHOUSER had made a \$20.00 downpayment on a deactivated Sten gun. FRANKHOUSER indicated he hopes to be able to repair this

weapon so it is operational. FRANKHOUSER also had a sketch of a weapon he claimed to have designed himself, although he wanted advice as to whether or not it would work. This instrument would theoretically fire a .22 blank cartridge which would forcibly expell a round knob. This knob would stay in the weapon but would protrude. FRANKHOUSER theorized that this, if held against the skull of intended victim, would cause a fracture without a wound.

On February 17, 1964, [redacted] former [redacted] of the ANP, advised that George Lincoln Rockwell believes that he has completed the first two phases in his struggle for power and is now well into the third phase. [redacted] said, however, in his opinion Rockwell has only completed phase one.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently-held meeting in Knoxville, Tennessee, at which many klanmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July 1958 issue of "The Thunderbolt," self-described as the "official racial nationalist organ of the National States Rights Party," reported that rank and file "State Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June 1960, of "The Thunderbolt" announced the address of the Headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that

Enclosed for the Bureau are eight copies of a self-explanatory letterhead memorandum. Copies as indicated on page 1A are also being furnished to New York, Baltimore, Richmond, Kansas City, and Birmingham, because of the interrelation of the Free Corps and other right wing groups.

Copies of the letterhead memorandum are also being distributed locally to OSI, ONI, INTC, and Secret Service will receive two copies.

Although this Office is aware that many of the claims of FRANKHOUSER are designed to magnify his own importance, and have little or no basis in fact, this group apparently presents a potential danger, and they have gone to considerable trouble and expense to further the aims of the group.

The local Reading, Pa., Police and the State Police at Reading have also been advised of the alleged activities of this group.

ReBUairtel directed that the Birmingham Office, which is office of origin in regard to the NSRP, should submit a nonprosecutive summary report concerning captioned organization. As set out above, the organizational report on NSRP must be submitted to the Bureau by April 16, 1965. The Bureau instructed that activities of the NSRP during the period from January 1, 1964, to date should be emphasized in the organizational report.

ReBUairtel also instructed the Birmingham Office to advise and instruct all auxiliary offices that nonprosecutive summary reports should be submitted on all members of the NSRP. As set out above, the Bureau deadline for the submission of the individual report on NSRP members is May 7, 1965. The Bureau stated that the following format should be used in preparing these nonprosecutive summary reports regarding individuals connected with the NSRP:

(1) Background

- (a) Birthdate
- (b) Citizenship status
- (c) Education
- (d) Marital Status
- (e) Residence
- (f) Employment

ReBUairtel advised that if summary report has previously been submitted concerning an individual connected with

the NSRP; then a supplemental nonprosecutive summary report should be submitted reporting information under the following categories:

- (1) Residence
- (2) Employment
- (3) Current position in organization
- (4) Automobile
- (5) Activity of subject
- (6) Miscellaneous information concerning subject

ReBUairtel directed that in preparing both the initial and supplemental nonprosecutive reports under the Bureau instructions in regard to this matter, emphasis should be placed on including pertinent information regarding the individual's present position, his current activities and his propensity for violence. The Bureau also instructed that the individual reports concerning NSRP members should be submitted as they are prepared, with the original and six copies being furnished the Bureau, and the submission of all of these reports should be completed by May 7, 1965.

All offices receiving copies of this communication are requested to note and comply with the Bureau's instructions and deadlines in regard to the submission of reports on individual members of the NSRP residing within their respective territories. All offices should also notify the Bureau by March 19, 1965, of the identities of those individual members of the NSRP on whom reports should be submitted under the above-mentioned Bureau instructions.
